Drama. Romance. Intrigue. The Bible contains all the elements of a blockbuster movie, and the book of Ruth is one of the best. *Latte for Life: 45 Devotions from the Book of Ruth* studies the life of Ruth as she marries, loses her husband, follows her mother-in-law to an unknown land, and finds love again.

Each reading includes:

- Scripture from Ruth and life-infusing commentary it—just like that delicious first taste of coffee in the morning.
- Daily reflection and conversation with God that will sweeten your life.
- Other relevant Scriptures that leave you craving for more.
- A final quote to be savored like that last drop of coffee.

Sacrificial love and happy endings aren't always fictional. God has already written a beautiful love story for you. All you have to do is accept it.

In Jesus' name we pray; on His team we play!

Maybe you've been told that you're one of the most dedicated players on the team. Or maybe that's what you want to be. When it comes to your dedication to God's team—the one that matters most—what kind of player would Jesus say you are?

Just as an athlete is recruited to play a sport, Jesus recruits you to play in the spiritual game of life. Standards that make a good athlete include strength, confidence, and hard work. What about God's standards? We can use God's Word to evaluate the way we choose to live.

Every effective team works toward a common goal. The purpose of this Bible study and devotional is to help encourage, inspire, and build committed Christian athletes who desire to consistently follow Christ's game plan.

No more "game-day-only" athletes. Playing on God's Team is about being an everyday follower of Jesus, on and off the field, in and out of season!

From 1987 to 2000 the Florida State Seminoles won the hearts of America and thrilled their fans with fourteen consecutive ten-win, top-five seasons. In seven of those seasons they lost only one game. More often than not, the players' quest for a perfect season came down to one play where mere inches or seconds determined the outcome.

This special collection of essays spotlights the extraordinary strength of Coach Bobby Bowden's leadership and character, providing entertaining insight into the national landscape surrounding Florida State football in the fourteen-year dynasty era.

Author Charlie Barnes served as executive director and senior vice president of Seminole Boosters until his retirement in 2012. He and Coach Bowden traveled together on the annual Seminole Booster banquet-and-golf circuit (The Bobby Bowden Tour) for more than thirty years. Charlie Barnes was also the voice of the boosters, and his articles appeared in the Report to Boosters, Unconquered Magazine, the Florida State Times, the Tallahassee Democrat, and more.

Coach Bobby Bowden and his son Steve also teamed together to provide Bobby's insights on each of the fourteen years of the dynasty for this book, which is a companion to the feature documentary film *The Bowden Dynasty*.

Will you offer God something that costs you nothing?

And when you stand before Jesus, experiencing the glory of God, you will see clearly that every struggle, every sacrifice was worth the reward of knowing Jesus.

Join Masey McLain in this 21-day devotional that will encourage, challenge, and strengthen you to follow Jesus.

Through Christ, you have the power to do whatever God calls you to do—whatever the cost, no matter how impossible it seems. Don't settle for less. Experience God and the life he has called you to as you live out your purpose in practical ways to make a difference in your world.

Five running backs were selected in the first round of the 2008 NFL Draft. Jamaal Charles was not among them. Despite piling up the fourth-most rushing yards at the University of Texas in just three seasons, he waited for eight other running backs to get selected ahead of him.

The Middle School Rules of Jamaal Charles features the stories and lessons of Jamaal's childhood, defined by people overlooking him. Young readers will see how Jamaal deals with bullying and endures teasing because of a long undiagnosed learning disability that enabled him to participate in the Special Olympics as a 10-year-old. The gold medals he won at the Special Olympics empowered him, and Jamaal displayed a rare work ethic and determination in everything he did on the field and in the classroom.

"I just kept working, just kept fighting," Jamaal says. "If you give up, you won't ever know how far you would have gotten."

A state champion hurdler, Jamaal ran for 4,107 yards and 50 touchdowns in his final two seasons at Memorial High School in Port Arthur, Texas. But readers will see how hard Jamaal had to study to earn a high enough mark on a standardized test to qualify for a full athletic scholarship.

Dogged by doubts about his size, Jamaal is already the Chiefs' all-time leading rusher, a four-time Pro Bowl selection and has more career rushing yards and total touchdowns than all but two of the eight running backs selected ahead of him in the 2008 NFL Draft. In fact, Jamaal owns a special NFL record: More yards per carry (5.5) than any other running back with at least 1,000 career carries!

Jamaal wants his legacy to extend beyond football fields. His Jamaal Charles Youth Matters Family Foundation promotes the development of healthy minds and bodies and reinforces the motto that, "Determination wins." Jamaal inspired millions at the Opening Ceremony of the 2015 Special Olympics in Los Angeles by sharing his story of struggle and triumph. "I was afraid. I was lost. I had trouble reading. I found out I had a learning disability," he said. "People made fun of me. They said I would never go anywhere. But I learned I can fly... the Special Olympics gave me my first chance to discover a talent I did not know I had."

Being My Best for God was inspired by *My Utmost for His Highest*, Oswald Chambers classic Christian devotional. In a language your child will understand, each daily reading contains a scripture along with a brief meditation that reflects the profound truths in Chamber's original work. An activity, question, or prayer is included each day to assist your child in applying the truth to their life. Read this original book along with your child and be prepared for some wonderfully deep spiritual bonding around ideas like these:

- God made me just the way I am. I may not know what I'm good at yet, but I know I'm wonderfully made.
- Real friends can talk about anything. They have no secrets. How do I let God be my friend? I talk over absolutely everything with Him.
- There are times when I know what I should do and there are other times when I will need to wait before acting and ask God what He wants me to do.
- Jesus is God's picture of himself. The more I get to know Jesus, the clearer my picture of God will be.
- Being forgiven is just like getting a gift. All I have to do is accept it and say, "Thank you."
- I will always remember, the most important thing is not getting my own way, but letting God have his way.
- When I understand that God is my best friend, doing what pleases Him will not be difficult, because I would want my best friend to be pleased with what I do.
- I know how much God loves me and that He won't allow anything to happen to me that He can't use to make me more like Jesus.
- Whenever God says, "Wait," it is usually because in the waiting time He wants to do something in me—to teach me something—that is more important than giving me what I want immediately.

- Jesus is God's picture of himself. The more I get to know Jesus, the clearer my picture of God will be.
- Being forgiven is just like getting a gift. All I have to do is accept it and say, "Thank you."
- I will always remember, the most important thing is not getting my own way, but letting God have his way.
- When I understand that God is my best friend, doing what pleases Him will not be difficult, because I would want my best friend to be pleased with what I do.
- I know how much God loves me and that He won't allow anything to happen to me that He can't use to make me more like Jesus.
- Whenever God says, "Wait," it is usually because in the waiting time He wants to do something in me—to teach me something—that is more important than giving me what I want immediately.

Breathe will forever change how you listen to your body and your soul. What do you do when everyone around you tells you one thing but your body and soul tells you another? In this inspirational and hope-filled memoir, one woman battles the good advice she is told versus the God advice that she senses in her spirit.

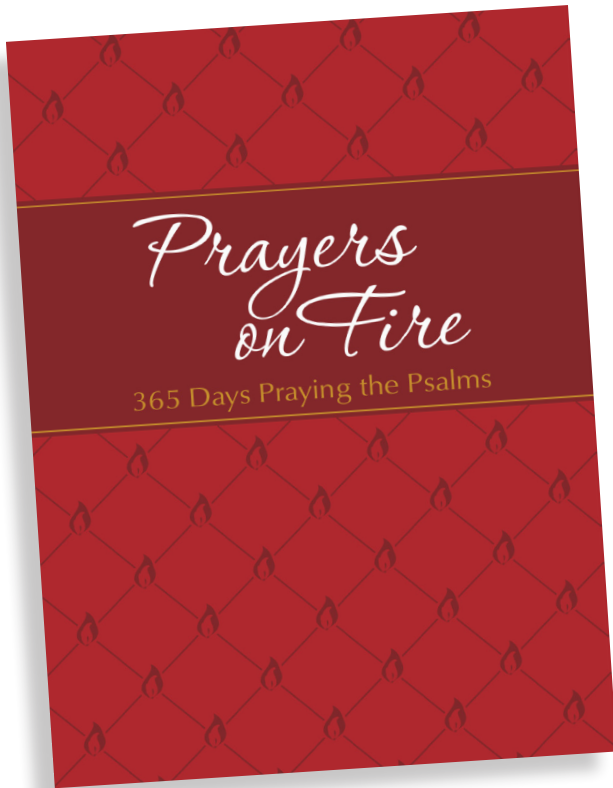

The life that Angela Burgin always prayed for seemed to be at hand when she finally married her love, Samson Logan, and the couple learned they were expecting their first child. The Queen City couple's charmed life started to unravel soon after as her dream of becoming a mother turns into a nightmare.

Angela seeks the advice and help of her doctor when she experiences mysterious and unusual symptoms but the doctor says it's all in her head. In her heart, Angela knows that's not true as she progresses from feeling bad during her pregnancy to having a bad feeling that something terrible could happen to her and her baby. She knows something is wrong, but she's not the doctor.

In *Breathe*, Angela and Samson share their life and soul-stirring experience in beautiful and gut-wrenching personal accounts that will give you a glimpse of heaven and hope in the darkest of times.

Prayers on Fire includes 365 prayers inspired by this heart-felt translation of the book of Psalms. Each day contains an excerpt from a psalm and then a prayer from the heart, providing an expression of faith and worship for sincere worshipers.

Excerpt of a prayer inspired by Psalm 1:2 -

As I'm hidden within your greatness, I discover your eternal purposes. In love and humility I bow before you, my awe-inspiring God. The way you watch over me, infuses me with confidence and courage. I find I can stand on my own two feet again because you are with me. You are my source; I draw life from the waters of your love. Walking step by step with you brings me joy unlike I've ever known. Your Word illuminates my path, and wherever I go, I flourish. No matter the season, I'm blessed—established firmly in you.

No mommy can live up to Supermommy expectations! Thankfully, God isn't looking for perfection. God is calling on imperfect moms to be faithfully plugged into his superpowers. It's not your circumstances that make surviving (we won't even talk about thriving!) with a baby so hard, it's your heart.

In *Unsupermommy*, Maggie delves into the nitty-gritty hard work of being a new mom in a practical and personal approach. Through her own experience of having three babies in three years, she shares how God used the trenches of motherhood to transform her life by releasing her from the pressure of perfection. Her desire is to see moms released from the discouragement of motherhood dreams that didn't come true and freed from expectations prevalent in our society, social media, blogs, and even our own hearts.

Maggie's candid motherhood story will inspire you to embrace your own imperfection as a means to receiving God's grace. You don't need to be a SuperMom when you rely on the grace of a super-powered God.

ABOUT THE AUTHOR

MAGGIE COMBS is passionate about helping moms recognize their imperfections as opportunities for God's unending strength. She is a mom of three busy boys: Isaac, Zander, and Judah. She blames their unending energy and solid build completely on her tall, active husband, Wes. Maggie grew up dreaming of motherhood because she assumed it would increase her social life. She thought wrong. Now Maggie uses her stolen moments to write about the down and dirty realities of motherhood, occasionally getting these thoughts corralled online on Instagram (@unsupermommy) or her blog www.unsupermommy.com. She escapes from the crazy by spending quality time with her husband...and her kindle.

If grandmothers ran the world, our grandkids would always be within arms' reach—at least until we needed a little quiet time to relax and re-energize. But, life doesn't often work out that way. Even if we live right around the corner, our grown children—and their children — lead busy lives. “Grandma Time” may never be as long, or frequent, as our hearts wish it would be. Here's a way we can make the most of the time we have, together or apart, by drawing closer to God, as well as our grandkids.

These 52 devotions for devoted grandmas cover topics like worry, playing favorites, and how to keep from becoming a Nana Diva. They also include creative ideas on how to put our grandmotherly love into action. The perfect gift for a first-time grandma, or perhaps a well-deserved bit of encouragement for yourself, this devotional will inspire readers to get off their rockers and on their knees as they celebrate the unparalleled blessings that being a grandparent brings.
