Fall 2018

Beautifully-designed soft touch matte lam cover, with special debossing and spot gloss.

The world sold you a map to success, and you followed it—only to find that the world’s version of extraordinary is the trap of the ordinary. Your to-do list keeps growing, you haven’t been to the gym in weeks, and your family wants more time with you. You are doing your best, but you’re exhausted and unfulfilled. How did you get here, and where are you going?

Michael Dauphinee understands that you don’t need a map with a final destination; you need your own compass. In *Extraordinary*, Michael provides four points on a compass that help you discover and live out your God-given calling.

- **Identity:** Instead of telling yourself what not to be, embrace who you are and utilize your natural strengths.
- **Permission:** Don’t limit yourself. Share your ideas and pursue your aspirations without needing approval from others.
- **Courage:** Overcome your fear of failure and close the gap between wishing and doing.
- **Generosity:** Don’t tie your hope to your resilience. Anchor to something bigger than yourself.

It’s not too late to live an extraordinary life. Unleash the power of your true north, dream again, and live in the direction of you.

Extraordinary

The world sold you a map. What you need is a compass.

When God Calls the Heart
at Christmas (keepsake journal)

Celebrate Christmas in Hope Valley

Christmas truly is the most wonderful time of the year. Whether it's in the fictional town of Hope Valley in the early 1900s or in our lives today, nothing is more profound than celebrating God's most important gift to the world.

That's what *When God Calls the Heart at Christmas* is all about—a celebration of faith, family, friends, and the most meaningful Yuletide traditions.

Inspired by best-selling author Janette Oke and the Hallmark Channel original TV series *When Calls the Heart*, these twenty-five devotions not only explore “God-moments” from the series, but also commemorate favorite holiday recipes, stories, and traditions—many of them contributed by the Hearties, the beloved fans of the show.

Journey with us to Hope Valley as we focus on all the reasons for this most blessed season. As shepherds and angels learned on that holy night so long ago, when God calls the heart at Christmas, you can expect a celebration.

We live in a hyperconnected world, and yet we're more disconnected than ever. We spend more time scrolling through Instagram than we do talking with our families. We've never had more "friends," but we have no one to meet for coffee.

Joe Battaglia understands that we are wired to have community, and that smartphones cannot meet our needs for love, acceptance, touch, and connection. In *Unfriended*, Battaglia uses research, personal insight, and biblical truths to help you:

- leave behind the anonymity of the Internet and get face-to-face with people.
- go beyond the "like" button and establish meaningful relationships.
- get out from behind your screen and enjoy God's creation.
- avoid toxic social media debates and become a vehicle of change.

Unfriended will help you shake off your digital fatigue and get back to real-life, real-world relationships with real people.

You are about to enter a vision-zone of heaven descending upon the earth unveiled before Isaiah, the first of the prophets, the prophet of Zion. The book of Isaiah is an enormous collection of prophecies described as “The Vision.” It is not simply a teaching or a historical record; it is the overarching vision of the heart of God revealed to His seer-prophet.

This vision spans the ages and touches every nation on earth, becoming a collective overview of all that God has planned. The prophecies are vast and their grand themes are unrivaled in all of Scripture. With panoramic insight, Isaiah preaches about the virgin birth of Christ, the Bride of Christ, and the New Jerusalem. These prophecies also present a description of the cataclysmic judgments, the survival of a holy remnant emerging in Zion, and the canopy of glory that is coming to earth.

The poetic message of Isaiah is one of victory, hope, comfort, and restoration of all things. Explore the vision of a man who saw the glory of God and spoke with burning lips, for true prophetic ministry flows from this “vision” until it grows into a burden.

Every emotion of our hearts is reflected in the Psalms with words that express our deepest and strongest feelings. Sighing is turned to singing and trouble into triumph.

The Psalms provide comfort and joy, leading us to the place where worship flows. When discouraged or downcast, we can take new strength from reading these uplifting poems. They charge our batteries and fill our sails. Their thunder stirs us, and sweet melodies move us into the sacred emotions of a heart on fire. Dark rain clouds of grief turn to bright rainbows of hope as we meditate on David's soul-subduing songs.

The Psalms are praises placed inside poetry that spill out of a fiery, passionate heart. They free us to become emotional, passionate, sincere worshippers, giving us an expression for faith and worship. The Passion Translation presents these 150 poetic masterpieces in modern English to convey the depth of our longing and fears, joys and celebration, becoming a mirror to the heart of God's people in our quest to experience God's presence.

ABOUT THE AUTHOR

DR. BRIAN SIMMONS is known as a passionate lover of God and lead translator for The Passion Translation Bible. After a dramatic conversion to Christ, Brian knew that God was calling him to go to the unreached people of the world and present the gospel of God's grace to all who would listen. With his wife Candice and their three children, he spent nearly eight years in the tropical rain forest of the Darien Province of Panama as a church planter, translator, and consultant. Brian was involved in the Paya-Kuna New Testament translation project and studied linguistics and Bible translation principles with New Tribes Mission. Brian and Candice now travel as Bible teachers and speakers.

Breathtaking and beautiful, the sweetest song of all ages unveils the Shulamite journey in the form of an anointed allegory. It becomes a journey that not only describes the divine parable penned by Solomon, but also a journey that longing lovers of Jesus will find as their very own.

Love will always find a language to express itself. The inspired Song of Songs is a work of art. It is a melody sung from the heart of Jesus Christ for his longing bride. Its storyline is full of symbols and subtle art forms which, without interpretation, are often missed or overlooked. The Passion Translation expresses this storyline in a way that will help you encounter the heart of God in greater measure.

The Holy Spirit has hidden within the Song of Songs an amazing story—a story of how Jesus makes his bride beautiful and holy by casting out her fear with perfect love. This sent-from-heaven revelation is waiting to be received with all its intensity and power to unlock the deepest places of our hearts.

The gates of hell shall not prevail against the church.

Some Christians are intensely critical and even fearful of what the twenty-first-century church is becoming—citing its lack of holiness, compassion, biblical literacy, relevance to the world, and more. But when has the church not faced tribulation?

In *The Triumphant Church*, Tony Suárez invites you to journey with him as he examines the birth and growth of Jesus' glorious church—full of flaws and imperfect people, yet beautifully and wonderfully made. Using the stories from Acts, Tony encourages you to:

- invest in the church instead of leaving it.
- prioritize unity amidst threats of division.
- trust God to fulfill his promises when facing doubt and fear.
- expect the best from God when you hear the worst from the world.
- rise up and make disciples.

We are trusted by God to carry out His mission of sharing the gospel to all nations. The noise in the news that says the church is in decline is simply not true. The body of Christ continues to grow and show that what God promises, He fulfills.

After hundreds of honest conversations with women from around the world, Susan Sohn has come to understand the pressures twenty-first-century women feel to maintain glamorized portrayals of themselves. In *True You*, Susan shares insight from her interviews and personal experiences that encourage you to

- reject the lies that you're not enough and learn to walk in truth.
- ignore the pressure to perform and know who you are in Christ.
- stop masking loneliness and connect with other women.

Once we allow ourselves to be seen, known, and loved—just as we are—we become free to be who God created us to be. Find the true you and lead a life of authenticity.
