*Hi, my name is Joe.
What is your name?*

This sign hangs overhead at a unique café called Joe's Table, named after Joseph Chung. Joseph was diagnosed with autism at a young age and was also afflicted with a seizure disorder. Because Joseph loved to socialize in his own loving and harmless way, Dr. Stephanie Chung and her husband envisioned a job where Joseph could experience the joy and self-esteem that comes from having meaningful work. Joe had a talent for engaging people by greeting them. A coffee shop seemed like the perfect place for that gift.

In Joe's Table, Stephanie shares her story of

- a son birthed in joy and later diagnosed with autism.
- a long battle raising an autistic son, and the journey that made her understand God's providence and compassion.
- heaven's comfort for mothers who struggle and grieve because their children are different than they expected.
- a disability that became a blessing to teach God's love.

Joseph passed away unexpectedly in September 2012. Stephanie had to face despair and frustration once again as she sent her child to heaven before her. In that moment, she met the heart of God. Joe's Table continued to evolve and had its grand opening on June 24, 2013. Now it is a one-of-a-kind coffee shop that serves the community and opens employment opportunities for those with different abilities.

Sunrises are always beautiful. But not many are as gorgeous as the sun coming up over a farm pond. The pinkish orange glow rises over the trees and the world comes alive. The early morning quiet on the farm gives you time to ponder life as you watch the reflection of the landscape in the sparkling water.

This 60-day devotional will encourage you--as you spend time observing the cows, sheep, horses, wheat, carrots, potatoes, flowers, trees, birds, sky, or sun--to remember to thank the Creator who made everything and put it in its place.

Be encouraged as you spend time alone with God. May his peace and joy refresh you like cool water on a hot summer day.

Let the heavens rejoice, let the earth be glad;
let the sea resound, and all that is in it.
Let the fields be jubilant, and everything in them;
let all the trees of the forest sing for joy.

Psalm 96:11-12 NIV

In Him we can find joy and blessing if we are willing to look.

Miracles today? Really? Let's face it: church can be too boring—too predictable. Yet people have never been so hungry and needy for an authentic manifestation of God's power. Missionary stories of profound miracles in other nations abound, but what about in my nation, my city, or my home? Testimonies of past miracles are prolific, but where are they in my generation?

Miracle Invasion includes modern examples of the spiritual gifts in action and true stories that will rekindle expectation that the Holy Spirit is still alive and well, working in our time, on our continent, whenever we welcome his presence.

In *Miracle Invasion*, you'll see:

- God is at work for your good—today!
- All things are possible with God.
- God is no respecter of persons. You matter to God.
- You are on the brink of a miracle, so don't give up.

The Holy Spirit has not forgotten about the twenty-first century church! People in North America are experiencing God's power in authentic demonstrations of the Spirit. We serve an extraordinary God who loves to act supernaturally on behalf of ordinary people.

Experience the life and love of Jesus as told in the book of John.

The Story of Jesus is the biographical account of Jesus' supernatural birth, controversial life, unjust death, confirmed resurrection, and promised return to earth as told by John, the beloved disciple. This book is a resource to introduce Jesus' life and the work of his Spirit to invite seekers, encourage saints, and challenge skeptics.

Possibly the best-known verse in the Bible is John 3:16, which demonstrates how much God loves each and every one of us:

“He gave his uniquely conceived Son as a gift. So now everyone who believes in him will never perish but experience everlasting life.”

What a gift! What a promise!

The Passion Translation is a new, heart-level translation that expresses God's fiery heart of love to this generation using Hebrew, Greek, and Aramaic manuscripts, merging the emotion and life-changing truth of God's Word.

4 days a week can change your life

“Too busy” is the number 1 reason people don’t read their Bibles. “Too distracted” is number 2, even though 93 percent of Americans have 4 or more Bibles in their homes. Our media-driven culture keeps us from what could significantly change our lives—a relationship with God.

Research from the Center for Bible Engagement shows that if you’ll read the Bible only 4 days a week, you’ll make better choices and positive changes in your life. But Christians who read the Bible less than 4 times a week lead lives that are statistically the same as unbelievers who never read Scripture.

Hope 4 Today is based on a 4-day schedule to help you revitalize your life. Endorsed by many influential leaders in Christianity today, Kathleen Cooke’s short devotions will help you to seek God, grow in hope, share your faith, and stay connected to God in a distracted culture.

Change your thinking from Bible-reading time to relationship-building time, and discover a vibrant, life-changing relationship with God. 4 days a week is all it takes.

Hope 4 Today Kathleen Cooke

Make a Difference in Your World!

Jesus spoke in parables—stories to teach truths with profound meaning. Good stories can move us and affect our thoughts. Thoughts compel action, and actions change the world.

After the success of the theatrical release of their movie *Let There Be Light*, Sam and Kevin Sorbo now present a devotional follow-up that takes a deeper dive into themes from the movie, including family, fatherhood, atheism, faith, forgiveness, grief, and redemption. *Share the Light* combines references to the movie's story, Scriptures, devotions, questions for reflection and discussion, and forty challenges that inspire action to change the world for the better.

When we serve others, give our time and resources, and invest emotionally in the welfare of others, we are profoundly affected—improved even. We all possess strengths we may not realize until they are needed. Hear the call to make a difference and share God's light.

You can change the world, for one person or for many, and be transformed yourself as well!

A father's love imparts value into the heart of a child.

Fathers have an incredibly important role. They represent God to younger generations, they model integrity in relationships, and they provide a foundation for wise decision-making and faith.

Sometimes fathers might feel like they've got it all together, and sometimes their responsibilities can seem overly burdensome. Fathers need strengthening reminders of their calling every day.

This 365-day devotional gives fresh encouragement to fathers. Time spent each day in God's presence meditating on his powerful Word can empower them to be men of character, strength, and leadership. After all, God the Father has more than enough resources at his disposal for those who seek to represent him in all they do.

In Christian history, no phenomenon is clearer than the recurrence of revivals. A passion for repentance sweeps across a city and those who had been unaware of the supernatural are now keenly aware of God's presence. Gripped by conviction of wrongdoing, they throw everything aside and desperately search for a way of salvation.

Our spiritual instincts are often clouded by worthless pursuits, but God is working through His laws for the salvation of His people and for the world's good.

Edited for today's reader by Tom Phillips, *Revival Now*, originally written by James Burns in 1909 (*Laws of Revival*), traces common characteristics of past revivals but shows us how our world today is ripe for a new, profound movement of God's Spirit.

ABOUT THE AUTHOR

DR. BRIAN SIMMONS is known as a passionate lover of God and is the lead translator for The Passion Translation. After a dramatic conversion to Christ, Brian knew that God was calling him to go to the unreached people of the world and present the gospel of God's grace to all who would listen. With his wife, Candice, and their three children, he spent nearly eight years in the tropical rain forest of the Darien Province of Panama as a church planter, translator, and consultant. Brian was involved in the Paya-Kuna New Testament translation project and studied linguistics and Bible translation principles with New Tribes Mission. Brian and his wife, Candice, travel as speakers and Bible teachers.
