The Christian Left

How Liberal Thought Has Hijacked the Church
Lucas Miles

The church has been invaded.

The Christian Left unveils how liberal thought has entered America's sanctuaries, exchanging the Trinity of the Father, Son, and Holy Spirit for the trinity of diversity, acceptance, and social justice. This in-depth look at church history, world politics, and pop culture masterfully exposes the rise and agenda of the Christian Left. Readers will learn how to:

- identify and refute the lies of the Christian Left;
- uncover the meaning of love as Jesus defined it;
- navigate controversial subjects such as abortion, gender identity, and the doctrine of hell;
- gain confidence in upholding biblical values;
- come face-to-face with the person of Jesus, who is neither left nor right but the embodiment of truth and grace.

Join Lucas Miles as he shows you how to minister to those around you with love and compassion in order to elevate God's truth, justice, and wisdom.

While many have bravely addressed the disaster Marxism creates within the state, few have applied that same level of courage in calling out socialist dispositions dwelling in the pulpit. As a former pastor and conservative politician, I can attest that our nation's churches need a voice like Pastor Lucas Miles' to help cut through the sophistry of our clergy who have exchanged the gospel for an ideology that runs contrary to Christ. *The Christian Left* deftly captures the unique and subversive threat that Marxist thought poses to Christianity, as well as to our great republic. Every Christian in America needs to read this book.

All Things Beautiful

Ziparound Devotional

We've probably all heard an older gentleman declare that his wife is more beautiful now than the day they married. And we likely thought he was crazy. What we fail to recognize in our outward-focused airbrushed society, is that time really does make things beautiful. More accurately, time gives us perspective on the true definition of beauty. When we sit and intentionally reflect on something, it affords us a glimpse into the depth of beauty that lies within. So, while the external beauty may be fading, there is a wealth of beauty inside.

God says that he makes all things beautiful in his time. *All things.* As you reflect on these Scriptures, devotions and prayers, you will find the unfading beauty spoken of in God's Word. Perseverance, humility, grace, obedience—these are beautiful. But there's more. The beauty God creates in us cannot be fully described in human terms.

When you are met with challenges, take time to sit in the presence of the Lord. As you rest there, you become more like him, adopting his thoughts and plans as your own. In time you will see how difficult situations became a catalyst for true beauty in you.

Best Old Folks Jokes Ever

I woke up this morning and forgot which direction the sun rises from...
then it dawned on me.

I heard a funny joke about a boomerang earlier.
I'm sure it will come back to me.

Aging gets old after a while. Pun intended. Gone are the days when you can remember why you went into the kitchen, what medications you are taking for what, and whether you hurt your neck doing something amazing or you just slept funny (and it's not really funny because, quite honestly, you don't know if your neck will ever work properly again).

When you need to find humor in the not-so-marvellous life changes, pick up *Best Old Folks Jokes Ever* and chuckle along with everyone else who is growing older. That's literally everyone. A little laughter can go a long way in accepting the inevitable with gratitude and grace.
